## Added 50% To Tire Mileage

A Boston tire dealer, for three years, has gathered data on Miller Tires. And he reports as follows:

Users find their tire mileage increased from 50 per cent to 75 per cent.

Blow-outs have been eliminated.

Uniform mileage has been accomplished.

Only six tires in 1,000 come back for adjustment—only five Miller Tires in a year.

A Louisville dealer compared wear and mileage on 116 styles of tires which he repaired. The constant Miller supremacy has caused him now to handle the Miller Tires only.

A California stage line made million-mile comparisons with 21 leading makes. And the Miller won by long odds.

You owe yourself a comparison on your own car. The Miller is the tire of the day.

**Gift "For Her Neck"**

The story is told of a young Japanese engineering apprentice in connection with the Christmas custom of giving. He was serving his time in the north of England, and was assigned when a waitress at the dining room which he regularly frequented kissed him under the mistletoe. On his being explained to him that a present was expected in return, he suggested a pair of gloves. The waitress, however, had heard that he was immensely wealthy, and gently suggested that something for her neck would be more acceptable. When the next morning next day she came to him with visions of a pearl necklace, he was tremblingly undid the parcel. It was disclosed to her disappointment that it was a "something for her neck." It took the shape of a bowl of soup!

**When Sins Arise**

He stepped into the express elevator and was the only passenger. Presently approached three black negroes, two evidently just from the South. They asked him to start a question, evidently directed to the location of a tenant starter pushed all three into the elevator. As the car didn't start, right away one of the darkeys, after scrubbing the car, said to me, with evident surprise: "Is this your office, 'nigger'?" One of his companions, who evidently had made the same mistake before, replied: "Disam no office, 'nigger'! You let 'em go up. But, Lordy, dat's 'nigger' to what she do comin' down! You let 'em go up before you let 'em come down!"

There were fewer suicides during the progress of the war than in preceding years.

**Says Tucker Will Have Easy Salting**  
According to W. L. Dennis, of Grundy, Buchanan county, business man and politician, there will be little use in any man opposing Harry St. George Tucker for the gubernatorial nomination next year. The latter appears to have the prize snatched away, and it is his by default. Mr. Dennis has recently traveled over certain sections of the State, following in the wake of Mr. Tucker, and he finds that the Valley man is sweeping all before him. In fact, Mr. Dennis opines that the nomination will be unanimous.

Mrs. Tucker will have easy salting.
